

# DATA SHEET

PM-923-MV

LED work light, 4 diodes

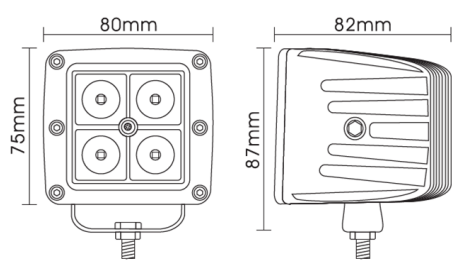

## Images

## Specifications

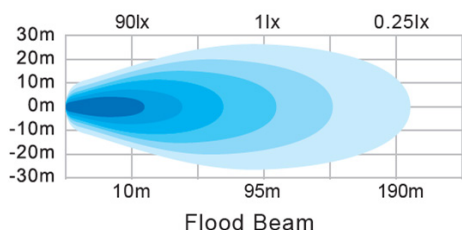

|                                     |  |
|-------------------------------------|--|
| <b>Functions:</b>                   | LED work light<br>Optimised performance through smart temperature control system |
| <b>LEDs:</b>                        | 4 x Osram 10W diodes   |
| <b>Output:</b>                      | 4000 raw lumens<br>3039 effective lumens   |
| <b>Light pattern:</b>               | Flood  |
| <b>Certifications:</b>              | ECE Reg 10   |
| <b>Dimensions:</b>                  | 3 inch cube light  |
| <b>Voltage:</b>                     | Multi-voltage 10-30Vdc   |
| <b>IP rating:</b>                   | IP69K  |
| <b>Wiring:</b>                      | 500mm cable fitted with 2 way Deutsch DT connector                               |
| <b>Power rating:</b>                | 40W  |
| <b>Current draw:</b>                | 3.55A @ 12V / 1.82A @ 24V  |
| <b>Reverse polarity protection:</b> | Yes  |
| <b>Warranty:</b>                    | 3 years  |

## Dimensions

## Materials

|                  |                                 |
|------------------|---------------------------------|
| <b>Lens:</b>     | Polycarbonate                   |
| <b>Housing:</b>  | Aluminium, black ED-coat finish |
| <b>Mounting:</b> | Stainless steel U-bracket       |

## Part number

PM-923-MV LED work light, 4 diodes
