EXCEPTIONAL QUALITY FROM A  
BRAND YOU CAN TRUST

- One flash pattern (double flash)
- Easy & time-saving installation
- Certified to ECE Reg 65
- Latest diode technology
- 9 x high power diodes
- High brightness levels
- Multiple units can be synchronised
- Multivoltage 10-30Vdc
- Attractive lens design

**SL-10421X**

R65 LED directional warning light, amber, horizontal mount

## Specifications

<b>Functions:</b>	LED directional warning light Easy installation
<b>LEDs:</b>	9 x high power diodes
<b>LED colour:</b>	Amber
<b>Flash pattern:</b>	Double flash pattern Multiple units can be synchronised
<b>Certifications:</b>	ECE Reg 65: E4 XA1-006662 for vertical mounting ECE Reg 10: E4 10R-05 4151
<b>Voltage:</b>	Multivoltage 10-30Vdc
<b>IP rating:</b>	IP67
<b>Operating temperature:</b>	-30°C to +50°C
<b>Mounting:</b>	Surface mount, horizontal
<b>Wiring:</b>	20cm 3-core cable 20AWG, partially stripped wires Red = power Black = ground Yellow = synchronising
<b>Power rating:</b>	9W
<b>Current draw:</b>	0.62A @ 12.8Vdc / 0.32A @ 25.6Vdc
<b>Reverse polarity protection:</b>	Yes
<b>Warranty:</b>	3 years

## Dimensions

dimensions shown in mm

## Materials

<b>Lens:</b>	Polycarbonate
<b>Base:</b>	Aluminium
<b>Bezel:</b>	Polycarbonate
<b>Grommet:</b>	EDPM

## Part number

SL-10421X	R65 LED directional, amber, horizontal mount
