EXCEPTIONAL QUALITY FROM A  
**BRAND YOU CAN TRUST**

4 high power LEDs

Class-beating light output

Multiple selectable flash patterns

Dual voltage 12/24V

Surface mount

Multiple units can be synchronised

Certified to ECE R65: amber only

Certified to ECE R10

IP69K rated

Available in amber (R65), red and blue

Aluminium die cast housing

Dimensions: 73 x 55 x 14mm

## **SL-1047X series**

### **LED directional warning light**

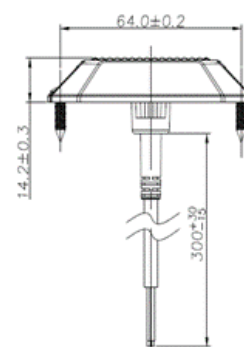

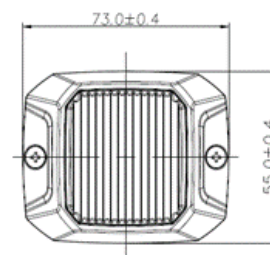

# DATA SHEET

LED directional warning light  
SL-1047X series

sentinel  
safety products

## Part Numbers

SL-10471	Surface mount LED directional warning light , R65 - amber
SL-10472	Surface mount LED directional warning light - red
SL-10473	Surface mount LED directional warning light - blue

## Features

- Multiple selectable flash patterns
- 4 high power LEDs
- Dual voltage 12/24V
- Surface mount
- Multiple units can be synchronised

## Materials

- Lens: Polycarbonate
- Housing: Aluminium die cast

## Specifications

Certified to ECE R65 XA1 00 6401, amber only

Certified to ECE R10 05 16505

IP69K rated

Power rating: 10W

Average current draw:

Amber: 0.75A @ 13.5Vdc / 0.38A @ 28Vdc

Red: 0.64A @ 13.5Vdc / 0.35A @ 28Vdc

Blue: 0.76A @ 13.5Vdc / 0.40A @ 28Vdc

Wiring: Red = power

Black = ground

Green = flash pattern select & synchronising

White = alternate flash

Dimensions: 73 x 55 x 14mm
